TECHNICAL PROPOSAL DATE \_\_\_\_\_

WASHINGTON STATE FERRIES, a division of  
WASHINGTON STATE DEPARTMENT OF TRANSPORTATION  
Transportation Building, Room 1A23  
310 Maple Park Avenue SE  
Olympia, WA 98504-7360

Attention: Mr. Ken Walker

The undersigned ("Proposer") submits this final Phase II Technical Proposal (the "Technical Proposal") in accordance with the requirements contained in the Request for Proposals (the "RFP") issued by Washington State Ferries, a division of Washington State Department of Transportation ("WSF"), dated \_\_\_\_\_, for the New 144 – Auto Ferries Design - Build Project (the "Project"). Initially capitalized terms not otherwise defined herein shall have the meanings set forth in the RFP. If the Proposer is a joint venture, or LLC, the agreements, acknowledgments, certifications and representations contained herein shall be deemed made jointly and severally by each joint venture or LLC member.

Enclosed herewith, and by this reference incorporated herein and made a part of this final Technical Proposal, are the following documents in compliance with Section 2.3 of Volume II Phase II Technical Proposal Requirements of the RFP:

- Design Deliverables
- Shipyard Build Strategy
- Drawings
- Specifications
- Schedules
- Index of Deliverables

In consideration for WSF supplying us, at our request, with the RFP documents and agreeing to examine and consider this final Technical Proposal, the undersigned agrees:

1. Proposer acknowledges receipt, understanding, and full consideration of all RFP documents and the following Addenda and set of questions and answers to the RFP:  
*[List Addenda, if applicable, and sets of questions and answers]*
2. Proposer certifies that it has carefully examined and is fully familiar with the RFP documents and is satisfied that such provisions provide sufficient detail regarding the Contract Work and the other obligations of the Contractor under the Contract and do not contain internal inconsistencies; that it has carefully checked all the words, figures and statements in its Technical Proposal; that it has conducted such other field investigations and additional design development which are prudent and reasonable in preparing this Technical Proposal, including a thorough review of all of the RFP documents; and that it has notified WSF of any deficiencies in or omissions from any RFP documents or other documents provided by WSF.
3. Proposer certifies that the Technical Proposal has been developed in strict compliance with the RFP documents and further, that Proposer agrees to accept and fully comply with all aspects of the RFP documents.

4. Proposer certifies that each, every and all of the representations made by Proposer in this final Technical Proposal are true and correct.
5. Proposer further understands that all costs and expenses incurred by it in preparing this Technical Proposal and participating in the RFP process will be borne solely by the Proposer, except to the extent that the Proposer receives the honorarium as provided for in the RFP.
6. Proposer agrees that WSF will not be responsible for any errors, omissions, inaccuracies or incomplete statements in this Technical Proposal.

The undersigned affirms that the information provided herein is true and accurate and that any misrepresentations are made under penalty of perjury.
